"The mind is not a vessel to be filled but a fire to be ignited." – Plutarch

*The CBSE-affiliated New Bombay City School in Ghansoli, Navi Mumbai, commemorates ten years of instruction. The school's growth has been aided by academic excellence and the slogan "Dare To Lead."*

*With encouraging each child to realize their potential and take on new challenges, NBCS CBSE satisfies their educational needs.*

*The Digital Revolution of the twenty-first century has altered society's course. We give students the tools they need to develop a strong country and a better world through a solid education, a good character, meaningful experiences, life skills, and values.*

*The school also encourages respect for others' cultures, good manners, and discipline.*

*We provide a full co-curricular and extracurricular activity program in music, dance, art, outdoor and indoor activities under the direction of qualified coaches and teachers. In addition to many other sports, the school offers kho-kho, football, hockey, baseball, skating, chess, and table tennis.*

*By creating new techniques and technology, NBCS CBSE adjusts to shifting global dynamics. The lush 2-acre site, well-equipped labs, and educational facilities serve as examples of our efforts.*

*The COVID-19 epidemic altered educational settings. But, our staff and instructors did everything they could to make sure that our kids had a top-notch education. As we draw closer to our tenth anniversary, we pledge to explore new educational horizons and devote ourselves to the overall development of every child. Anticipating a long-lasting partnership. Together, let's work to mould their minds so they can thrive in life.*

*The motto of our school is "Dare to Lead." We instill humanity, compassion, and wisdom in our students. Our multiethnic students are taught tolerance and respect for cultural differences. This school's guiding ideals include discipline, ethics, and honesty.*

*In addition to academics, we help children develop in many other areas. All students are encouraged to participate in dance, art, sports, social work, and environmental conservation activities (the list goes on). Children must identify their strengths in order to attain their potential. Whether an introvert or an extrovert, the objective is to nurture a confident youngster.*

*We think about how to include pupils. How can we guarantee that students learn in a successful lesson? This query motivates us to enhance our academic curriculum and instructional strategies. To immerse pupils in a technologically advanced society, we use computers and mobile devices. First In Math (FIM), a program created by the school to encourage children to learn mathematics in a fun way utilizing mobile apps, is one example of such implementation.*

*Our goal is to develop this school and our kids with integrity and morals while providing them with the best opportunities and education possible. Our aim is to produce moral, intelligent, and self-assured Indians who will carry India well overseas.*

*My message to my sweet pupils and their kind parents is that education is a right of every child from birth, free from regional politics and superstitious beliefs, and that it is a tool that requires transparency regardless of religion, caste, sex, or faith.*

*If education makes us adaptable and cultured, it raises us above all other creations and evolutions.*

Best Wishes

# Prayers

(1)

Give me a cheerful spirit God,  
Inspire me to smile  
That I may help a weary world  
Along each passing mile,  
I want to be an optimist  
And look beyond the rain  
Instead of always looking  
For some reason to complain

(2)

Lord, make me an instrument of Thy purpose,  
Where there is Hatred, let me sow love  
Where there is Injury- Pardon  
Where there is Doubt- Faith  
Where there is Despair- Hope  
Where there is Darkness- Light  
Where there is Sadness- Joy

O Divine Master, grant that I may not so much seek to be consoled  
as to console; to be understood, as to understand; to be loved as to  
love. For it is in giving that we receive, it is in forgiveness, that we  
are forgiven.

(3)

We thank you loving father, for all your tender care,  
For food and clothes and shelter and all the world so fair,  
We thank you loving father,  
For this day now begun,  
May our actions be ever pleasing,  
To you and every one.

(4)

Father we thank you, for the night,  
And for the pleasant morning light,  
For rest and food and loving care,  
And all that makes the world so fair,  
help us to do the things we should,  
To be to others kind and good  
In all we do and in all we say.  
To grow more loving everyday.
